

Return & Refund Policy

Last Updated: January 2025

This policy outlines the terms and conditions for returns and refunds at ShopEase.

1. Return Eligibility

Customers may return most items purchased from ShopEase within 30 calendar days of delivery. To be eligible for a return, the item must be unused, in its original packaging, and in the same condition as when received. Items must include all original tags, accessories, and documentation.

The 30-day return window begins from the date the item is marked as 'Delivered' in our system.

2. Non-Returnable Items

The following items cannot be returned:

- Digital products (eBooks, online courses, software licenses, apps)
- Gift cards and vouchers
- Perishable goods (food, beverages, flowers)
- Personal care items (opened cosmetics, hygiene products)
- Customized or personalized items
- Items marked as 'Final Sale' or 'Non-Returnable' on the product page
- Undergarments and swimwear for hygiene reasons

3. Damaged or Defective Items

If you receive a damaged, defective, or incorrect item, please contact us within 48 hours of delivery. Damaged items are eligible for return or replacement regardless of the standard 30-day return window. Please provide photos of the damage and the packaging. We will arrange a free return pickup and provide a full refund or replacement at no additional cost.

4. Refund Process

Once your return is received and inspected, we will send you an email notification regarding the approval or rejection of your refund.

If approved, your refund will be processed within 5-7 business days:

- Credit/Debit Card: Refund credited to original card (3-5 business days after processing)
- UPI/Net Banking: Refund to original payment method (2-3 business days)
- Cash on Delivery: Refund issued as store credit or bank transfer
- Wallet Payment: Instant refund to wallet balance

Shipping charges are non-refundable unless the return is due to our error.

5. Return Shipping

ShopEase E-Commerce

For standard returns (change of mind, item doesn't fit), the customer is responsible for return shipping costs. A flat return shipping fee of \$5.99 will be deducted from the refund amount.

For returns due to our error (wrong item, defective product, damage during shipping), ShopEase will cover all return shipping costs and arrange a pickup at your convenience.

6. Exchange Policy

We offer free exchanges for size or color changes on eligible items within the 30-day return window. If the desired exchange item is a different price, the difference will be charged or refunded accordingly. To initiate an exchange, contact our support team with your order number and preferred replacement.

7. Late or Missing Refunds

If you haven't received your refund after the processing period:

1. Check your bank account or credit card statement again
2. Contact your credit card company (it may take time for the refund to post)
3. Contact your bank (there is often processing time before a refund is posted)
4. If you've done all of this and still haven't received your refund, contact us at support@shopease.com
